CANCELLATION POLICY I am aware of the strict cancellation policy of Rogue Wilderness Adventures and realize that if I am to cancel my trip inside of 24 hours of departure I will forfeit all funds paid to Rogue Wilderness Adventures. I am aware that I may purchase travel insurance to protect myself in the case of unforeseen events causing the cancellation of my trip with Rogue Wilderness Adventures.

Forest Fires and Smoke: Occasionally during the hiking season forest fires in the region will cause smoke to settle in the Rogue River Canyon. Just like with rain, we go with smoke or no smoke. Every few years a forest fire will close the Rogue River. If this occurs you'll receive a credit to use at a future date. The only scenario where a refund will be considered is if you've invested in trip insurance before your trip departs. (See Cancellation and Travel Insurance Policies on our website or page 1, paragraph 1 of your itinerary)

Please sign below that you understand our cancellation policy.

Good Eats: G Street in downtown Grants Pass has a number of excellent restaurants. Staff favorites are Laughing Clam, \$\$ (cold beer and fish tacos, casual dining) Blondies, Twisted Cork and Bohemian. (\$\$\$ fresh local faire). Circle J Pizza and Sumi Sushi are excellent, too. We also love The Haul and Climate City Brewing.

Area Attractions: Oregon is a very beautiful state with many things to do and see. Crater Lake National Park is very popular, as well as the Oregon Caves National Monument. The Oregon Shakespeare Festival is nearby in Ashland. Performances often sell out; call (541) 482-4331 or <http://www.osfashland.org> for more information. Regional tourism is handled by Southern

Oregon Visitors Association. Their website www.sova.org has excellent information about our region. You can also contact the Grants Pass Chamber of Commerce at (541)476-7717 <http://www.visitgrantspass.org> for specific Oregon area brochures.

Wine Tours In Southern Oregon: Southern Oregon has a booming wine industry and has been compared to the “next Napa”. Join our sister company Wine Hopper Tours for a day wine tour in the Rogue and Applegate Valleys. Day tours start at \$89 per person for the full day and includes lunch and tasting fees. www.WineHopperTours.com or 1-855-550-WINE (9463)

The Trip Outline for your day

The Morning of your Trip: ½ Day AM and Full Day Trips: meet at **9:00AM** at the Rogue Wilderness office to meet your guide and group, fit for life vests and do any last minute paper work. Come to the office dressed in your rafting clothes. A shuttle van will take you on a 10-15 minute ride to the boat landing. Final preparations will take about 10 minutes with bathroom stop and safety talk. Be sure to eat a hearty breakfast before your trip. **If you are doing a ½ Day PM trip please be at the office at 11:00 am for instructions and life jacket fitting.** Your car will be parked in our lot and a key bucket is available to leave your keys.

Guides and Rafts

We use rafts that carry you and your gear. Your guides will always be on the water rowing a boat.

Paddle Boat: Paddle boats are fourteen to fifteen foot boats that are powered by the paddle strokes of the crew. The guide typically sits in the back and gives paddle commands to four to seven paddlers. Helmets and wetsuits are rarely required in paddle boats.

Oar boats: Oar boats are sixteen to eighteen foot boats that carry gear and supplies as well as one to four passengers. Two or three passengers on an oar boat is typical. A ride on an oar boat is an opportunity to relax, enjoy the scenery, or chat with friends and family. The oar boat is the least active option and typically provides the lowest probability of a “swim”.

Inflatable Kayak (IK): IKs will be available for everyone to share on the Full day and Half day trips. If you end up not enjoying this experience, switching back into the big rafts is always an option. The IK provides the opportunity to run the rapids of the Rogue River under your own power and direction. The guides will give instruction for the Iks before the trip and direction for the rapids while on the water. We bring only single kayaks on guided trips.

Guides: Our guides have a deep appreciation for the river and its surroundings. RWA guides are accomplished in outdoor skills and extensively trained in first aid and CPR. They will be more than happy to help you if you have any questions about the

river. In addition, the guides are mature, interesting people we think you'll enjoy. Guides will be rowing their boats on the trip.

Gratuities: We are often asked if tipping is appropriate. Tips are certainly appreciated by our guides. Tips normally are in the range of 10% of the trip cost. Whether and how much you tip should depend on your satisfaction with the trip, your feelings about tipping, and your financial means.

Equipment: RWA provides waterproof bags for your belongings. We recommend opting in favor of disposable waterproof cameras which are available at the RWA store.

Meals and Alcohol: RWA provides lunch for the full day and PM trips. We specialize in creative and delicious meals. Guides will prepare your meals using a variety of fresh foods. Typical lunch is a make your own sandwich bar, fresh fruit and cookies.

Vegetarian and medically restricted diets will gladly be accommodated with advance notice. Fruit juice and water are available with every meal.

Alcohol is not allowed to be consumed on the river. If you want to bring something to drink at lunch you're welcome to. However, we remind you that this is a family trip and drunk or disorderly conduct will not be permitted. We reserve the right to remove you from a trip if a controlled substance or alcohol inhibits your behavior.

Cancellations and Travel Insurance: We strictly adhere to our cancellation policies as explained on your (or your group organizer's) reservation form.

Registration Form & Health Information: If there are any medical considerations (such as allergies, heart conditions, etc.) or dietary restrictions we should know about, please put them on the registration form or call us. We ask that you return the form to our office well in advance of your trip either by mail, fax, or e-mail.

Questions? Please contact our office if you have any other questions about your trip. Once you are on the river, our guides will be happy to answer questions or assist you. We welcome any suggestions you have and want you to enjoy your rafting trip.

Communications: There are **no phones, and cell phones do not work on the river.** Phones work in the RWA parking lot, after that leave them in your car.

Clothing and Comfort

Appropriate Clothing: consists of shorts and a t-shirt with a bathing suit under. A light jacket is also a good idea. There will be a dry bag on each boat for you to put any layers in.

Cotton should **NOT** be worn during cool or wet weather since wet cotton lowers body temperature. Cotton is recommended for hot weather only!

Footwear should consist of a water shoe or a sandal that is strapped on your foot and will not fall off. Tennis shoes can also be worn if you don't mind them getting wet.
